

MANAGEMENT MEET COMMITTEE

Management meet committee is involved in holistic development of students, by creating an environment where talents are nurtured by attending various intercollegiate management programmes throughout the year.

Objectives:

- ❖ Intercollegiate participation inculcates positive attitude towards self employment
- ❖ It helps student to develop their leadership skills by participating in competitive meets
- ❖ To promote social interaction
- ❖ To develop soft skills which is mandate for Management students

Procedure:

- ❖ To identify intercollegiate management meets across the country, especially in Chennai
- ❖ To inform students about the intercollegiate management meets through periodical circulars
- ❖ To select appropriate teams and train them
- ❖ To obtain bonafide certificate to students for their participation in management meets
- ❖ To collect the copy of certificates, medals and trophies and felicitate the winners.

Responsibilities:

- ❖ To educate students on the importance of participating in Management meets
- ❖ To prepare student teams in participating in Management meets
- ❖ To train new students with their senior batch students who frequently participate in management meets
- ❖ To identify the skills and competencies of students who excel in management activities
- ❖ To ensure that students obtain OD for participating in intercollegiate meets and maintain their attendance eligibility.
- ❖ To ensure that students academic performance does not get affected by their participation in Management meets
