STANDARD OPERATING PROCEDURE FOR FACULTY PUBLICATION IN REPUTED JOURNALS

Description

This SOP outlines the process and guidelines for supporting and facilitating faculty research publications in reputed journals. It aims to foster a culture of research excellence, innovation, and scholarly communication among faculty members through structured support and recognition practices

Purpose

MEASI *Institute of Management*

To establish a standardized procedure for guiding and encouraging faculty to publish their research in reputed national and international journals, ensuring academic integrity, quality, and ethical compliance, thereby enhancing the institution's research standing and visibility

Objectives

- To cultivate and sustain a robust research and publication culture among faculty.
- To provide resources and support mechanisms for faculty research endeavors.
- To ensure the quality and impact of faculty publications by promoting adherence to high academic and ethical standards.
- To streamline the internal processes related to faculty publications, including review and recognition.
- To elevate the institution's research output, citations, and overall academic reputation.

Eligibility Criteria

- The research paper should be based on original work conducted or significantly contributed to by the faculty member.
- The research should align with the faculty member's area of expertise and the institution's research priorities (where applicable).
- The paper should be intended for submission to journals indexed in Scopus, Web of Science, ABDC, UGC-CARE, or other well-recognized peer-reviewed journals relevant to the discipline.
